

YOUR IQNET CERTIFICATE

IMPORTANT NOTICE FOR THE RECEIPT OF YOUR IQNET CERTIFICATE

As of 1 May 2021, IQNet certificates will be issued via direct customer download from the IQNet database and no longer by DQS.

Identifying your certificate requires entering a specific link combination.

Please proceed as follows:

Please copy and paste: <https://database.iqnet-certification.com/certificate/dqshol/DQSreferenceno-DQSProductID>

Replace the bold, last part of the following link with your reference number, a hyphen, and the appropriate abbreviation of the DQS product ID. Please do not use spaces.

For example: <https://database.iqnet-certification.com/certificate/dqshol/506006-qm15>

The screenshot shows the IQNet website interface. At the top, there is a navigation bar with the IQNet logo on the left and contact information on the right: "IQNet | Bollwerk 31 | CH-3011 Bern | +41 31 310 24 40 | headoffice@iqnet.ch". Below the navigation bar are links for "Advanced Search", "Partner Login", and "IQNet Website". The main content area is titled "CERTIFICATE INFORMATION" and features a green banner with the status "VALID" and "Search date: April 29th 2021". The certificate details are as follows:

- Certificate ID: FI-506006 QM15
- Standard: ISO 9001:2015
- Issuer: DQS Holding
- Certificate holder: Suomen Vahinkotarkastus SVT Oy and A-Test & Consulting Oy, FI-01740 Vantaa Finland
- Scope (ENG): Damage inspections; claims settlements and specialist services related to insurance companies' compensation processes. Damaged vehicles sales services. Consulting and specialist services for vehicle dealers and repair workshops. Consulting services for privately owned vehicles. Maintenance, installation, calibration and repair of workshop equipment as well as annual inspections for vehicle lifts. Consulting and specialist services for automotive aftermarket as well as production of quality control and development services.
- Scope (local): N/A

At the bottom of the certificate information, there is an orange button labeled "Download: DQS - Rev. 4" and a link "→ Back to Search".

We have compiled an overview of the abbreviations for the Product IDs for you as follows:

Standard: ISO 9001:2015	⇒	DQSProductID: qm15
Standard: ISO 14001:2015	⇒	DQSProductID: um15
Standard: ISO 50001:2018	⇒	DQSProductID: emst18
Standard: ISO 45001:2018	⇒	DQSProductID: ohs18
Standard: ISO/IEC 27001:2013	⇒	DQSProductID: isms13
Standard: ISO/IEC 27001:2017	⇒	DQSProductID: isms17
Standard: ISO/IEC 20000-1	⇒	DQSProductID: sms11
Standard: ISO/IEC 20000-1:2018	⇒	DQSProductID: sms18
Standard: ISO 37001:2016	⇒	DQSProductID: abms
Standard: ISO 22000:2018	⇒	DQSProductID: fsms2018
Standard: ISO 28000:2007	⇒	DQSProductID: smsc

The link will be available starting one day after the registration of the respective DQS certificate and customer data in our company database. The existing IQNet certificates already issued by DQS remain in the DQS database. However, we will not add any new IQNet certificates to our database after 1 May 2021.

One final note: in the future, IQNet certificates will no longer bear the signature of the DQS managing director.

If you have any questions, please do not hesitate to contact the DQS office nearest you: <https://www.dqs-holding.com/en/contact-us/international/>
